

## Luca's Old TV Mask

Luca's Old TV Mask allows the user to quickly and easily recreate the look of a CRT monitor screen. (Simulate Viewpoint checkbox will not be available) Watch the tutorial below and download it to try it out.

Simulate Viewpoint	<input type="checkbox"/>
	<b>(Shift Centre Left   Right)</b>

To install the plug-in:

After downloading the plug-in drag it to Macintosh HD / Library / Application Support / Final Cut Pro System Support / Plugins folder. Finally restart Final Cut Pro and the generator should show up in the Generator's menu (Luca's Generators).
